Group Dining at Megan's

In case you hadn't already heard, we love to party at Megan's, which is why we pride ourselves on being wonderful hosts for any celebration... Serving stunning interiors & food alike, our Megan's touches are guaranteed to add some sparkle to your next special occasion.

With (lots of) fairy lights, foliage, hanging wicker lamps & many Turkish eyes, our neighbourhood homes are ready to whisk you & your guests away to sunny places!

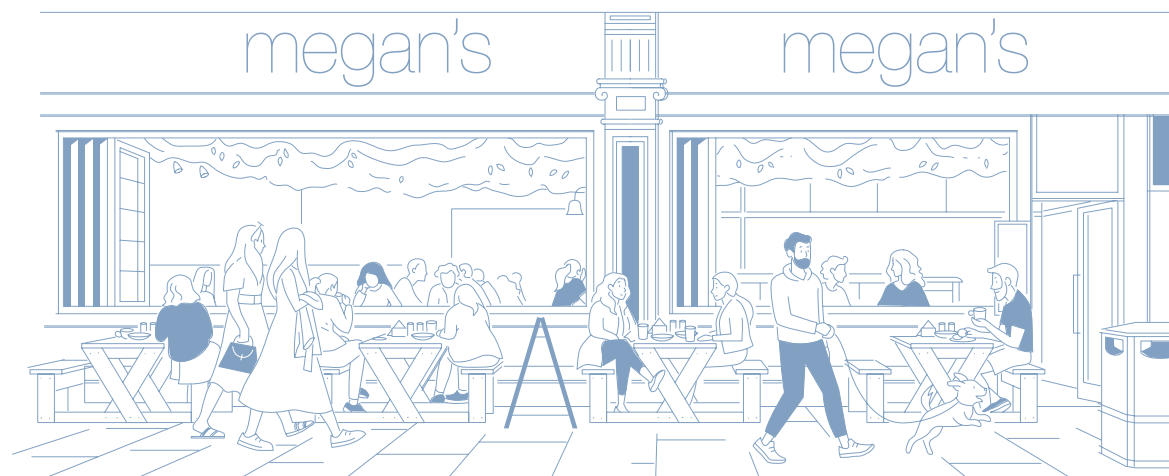

Plus, it wouldn't be a celebration at Megan's without our spectacular (& totally delicious) party menu. Our feasting boards rise to every occasion (quite literally) & are the perfect way to bring you & your loved ones together around the table.

Featuring some of our favourite Eastern Med dishes, the set menu is perfect for a plated dining experience, plus our canapé menu is ideal for standing receptions. We also have drinks packages that will ensure glasses are always full!

If you're looking to add extra special touches to your celebrations, we can help with DJs, live music, flowers & cakes, as well as late-licences so the party doesn't have to end when the sun goes down.

With no hire fees & reasonable minimum spends, we like to keep things simple, so you can focus on the celebrations!

Group Dining Menus

Food is at the heart of every celebration, which is why we've created group menus that are designed to bring you & your loved ones together around the table, guaranteed to turn every event into a truly memorable occasion.

Whether you're planning a birthday, a baby shower, a team celebration, or just a long-overdue catch up with friends, let us bring you an authentic taste of the Eastern Med with our deliciously fresh home cooking.

Serving the wow-factor for your next event, our feasting boards are the perfect sharer. Raised above the table (making for a beautiful centrepiece), the boards feature a vibrant selection of dishes inspired by sunny places. Think tender chargrilled meats, fresh salads, warm hand-stretched flatbreads & house sauces...

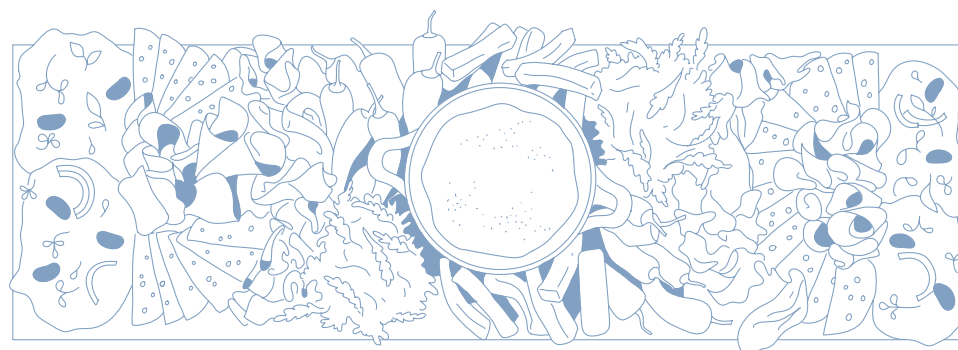

Plus, a giant version of our famous dessert, the half-baked cookie dough! So deliciously indulgent, this will change your life. Forever.

If you'd prefer a more formal dining experience, our plated set menu offers a deliciously curated selection of Megan's favourites, ideal for seated gatherings. Choose from a two course, or a three set option.

For a standing reception, our canapé menu is the one for you. Full of flavour, our bite-sized nibbles are perfect for grazing. Whether it's crispy hot honey halloumi bites or mini lamb koftes, there's something to please every palate.

Of course, no celebration would be complete without a raised glass (or two). Our drinks packages are designed to keep the great times flowing from start to finish. We've got your party covered, whether it's Prosecco on arrival, a few rounds of our signature cocktails, or wine to pair with your meal.

No matter what the occasion, let us add some Megan's sparkle to your celebrations!
